### **Appreciation and Gratitutde Letter to HPCL**

Dear Sir,

I firstly want to forward the wishes for safety in this COVID-19 pandemic to you and everyone in concern to you. Its a matter of great pride and pleasure that our institution (Manoharbhai Shikshan Prasarak Mandal, Armori's Mahatma Gandhi Arts, Science and Late N.P. Commerce College Armori) is connected with your highly esteemed organisation Hindustan Petroleum Corporation Ltd. As we all know that HPCL implements a number of CSR activities to empower the weaker, less privileged, marginalised sections of society. Firstly we express great sense of gratitude for providing our institution high quality wending machine and water cooler facility during the last two years. Your continuous and hearty support to our institution which is based in remote corner of Maharashtra is really unforgettable and inspiring for us.

I am contented to disclose you about the various activities on real and virtual platforms that my institution has conducted during the COVID-19 pandemic. Being an institute with social adherence, in the hard time of COVID-19 pandemic, our institution has backed many migratory labours and needy persons with essentials. To shrink the academic chaos among students many virtual programs were organized. In one of them students got an opportunity to interact with Director, Board of Examination and Evaluation. Apart from student's motivation building, the institution has also arranged many virtual events to elucidate the various impact of COVID-19 which includes 02 days international webinar on "Impact of COVID-19 pandemic in context of socio-economic, international relationship and health sectors" and Impact of COVID-19: Reimaging of life sciences. Along with these other virtual events like one day national workshop on Recent NAAC procedures for assessment and accreditation, One day national e-seminar on Next generation libraries, one day national e-seminar on Advances in mathematical and physical sciences were organized. Even in this hard time we were dedicated to mitigate the academic loss of our students and arranged online lectures, video tutorials, etc. Online materials were frequently shared simultaneously.

It's my colossal inclination towards your support to our students in form of scholarship for two subsequent years. In the recent times the changes in academic operational design has hurled never seen challenges for our students. As our institution belongs to rural and backward region in Maharashtra, there are wideranging numbers of students are lagging behind in technological backups like smart phones, internet connectivity, etc. I believe that each and every student must get an equal opportunity despite of technological lacunas. In this concern, I want to forward a request to consider these technological issues of our students as a much needed factor in their academic development and think over it as a support on behalf of your organization.

Words are powerless to express our thanks and gratitude. Thank you for all your cooperation and I look forward to more years of togetherness.

Principal M.G.Arts, Science & Late N.P.Commerce College ARMORI, Distt.Gadchiroff
