MEMORANDUM OF UNDERSTANDING

Department of Chemistry, Mahatma Gandhi Arts, Science and Late N. P. Commerce College Armori and Agricultural Technology Management Agency (ATMA), Gadchiroli, now recognizing the importance of development and organic farming in the Rural areas as well as imparting special training to U.G. Chemistry students to execute scientific surveys and studies. Therefore, in consideration of the mutual promises made herein and of good and valuable consideration, the receipt and sufficiency of which Both Department of Chemistry, Mahatma Gandhi Arts, Science and Late N. P. Commerce College Armori and Agricultural Technology Management Agency (ATMA), Gadchiroli, hereby acknowledge & agree to sign a memorandum of understanding (MOU).

Department of Chemistry, Mahatma Gandhi Arts, Science and Late N.P. Commerce College Armori and Agricultural Technology Management Agency (ATMA), Gadchiroli, shall encourage interactions between the faculty members and students of college and institutional personnel through the following arrangements:

- Joint guidance of student for People's Biodiversity Register (PBR) under Chemistry and other areas of national interest at our institutions on mutually agreeable terms.
- Would allow the institutional visits of students to provide them with an exposure to various instrument and laboratory skills.
- The students will carry out part of their work on PBR at our Institutional study centers depending on the nature of the work as per rules of the institutes depending on facilities and requirements.
- Financial arrangements for each specific collaboration will be decided on a case to-case basis and brought on record in each case after due approval from heads of both the Institutions.

The duration of the MOU shall be for a period of 3 years from the effective date. During its tenancy, the MOU may be extended or terminated by a prior notice of not less than six months by either party. However, termination of the MOU will not in any manner affect the interests of the students/faculty/scientists who have been admitted to pursue a programme under the MOU.

In Witness Whereof Parties here to have entered into this agreement effective as on the date and year first written above.
